Subject:- Acquisition of certain Municipal Nos. in Dandupparahally Village for widening the existing Road.

== o ==

With reference to the above, I write to state that the fact of acquisition of the properties as per Pre notification No.L.11449/ITB.1-55-24 dated 16.12.1955 in Mysore Gazette dated 22.12.1955 calling for objections if any within 30 days from the date of publication was given wide publicity in the locality and a copy thereof was also affixed to the Notice Board of this Office; In response to the same only two objections that are enclosed herewith were received. The objections received are not of any Public Nature and are more or less are of personal nature and indicate the disinclination of the parties concerned to part with this land notified for acquisition. The claim of Sri M.Muniyappa for grant of a separate bit of land in exchange, will be considered separately at the time of taking possession of his land. The other party Peter Parara wants some deviations to be made in the proposed alignment of the Road. But the present proposal is made so as to fit in with the comprehensive layout of Vasanthanagar area which cannot be achieved in case the Scheme is modified as suggested by the party. Hence his objections do not

P.T.O.

not deserve any consideration.

Now I am submitting herewith draft copies of Declaration Statements in duplicate both in Kannada and English in form B of the Mysore Land Acquisition Act along with the petitions received in this Office and I request that sanction of Government to the same may kindly be obtained to the acquisition of this area, The Special Land Acquisition Officer of the Board being authorised to exercise the ~~persons~~ powers and functions of the Deputy Commissioner under the Section 3 and 7 of the said Act.

The Compiler, Mysore Gazette may also be kindly addressed to publish the Delcaration Statements with next issue of Mysore Gazette and to send 25 copies of each set to this Office for giving wide publicity.

Yours faithfully,

(B.V. Lankappa)

No. 6, Dodda Upparhalli
Vasanthanagar, B'lore 1.

Ref. Acquisition of a portion of property bearing No.6, in Vasanthanagar Bangalore.1.

Respected Sir,

With reference to the notification in Mysore Gazette regarding Acquisition of a portion of my property premises no.6, in Vasanthanagar, Bangalore, I beg to submit the following:-

That a portion of my premises bearing No.6, measuring about 33'x45', Mariyamman Temple Street, Vasanthanagar, is to be acquired for the imporvement of the locality. The portion to be aquired is North to South, 10'x22', and East to West 8'x17'. Now I beg to state that out of the site measuring 33'x45' the piece of land that will be left over will be very small and inadequate for any purpose. Further by acquiring my property, as contemplated at present does not actually improve the locality. Therefore, I request you to kindly inspect the spot personally and satisfy yourself about my statement.

Further I may be permitted to put forth that if the proposed road is extended from West to East to join the Kuppuswamy Naidu Street the locality block will ne much benefited and also a road may be cut across the block facing the Vasanthanagar Main Road, on the other side of my block, as shown in the enclosed sketch.

Moreover I beg to put forth that if my humple suggestion is carried out it would be beneficial to the locality and also poor persons will not sugger.

Under the circumstances I beg to give my application in objection of the acquisition of the property.
Early reply is solicited.

Thanking you,

Yours faithfully,
Peter Pereira
